CDs are a good thing. They're small, thin and easy to carry around. They can hold music, pictures and software. And, if you want, you can tape them to the front of a magazine...
An auspicious moment: for the first time ever a console magazine can provide unique hands-on previews of new software with every single issue. Welcome to a new dimension in videogaming.

Mortal Kombat 3
PUBLISHER: Sony Computer Ent.
STYLE: Beat 'em up
PROGRAM: Playable demo
The legendary, the inimitable Mortal Kombat 3. This third incarnation of the coin-op is undoubtedly the best so far, and the PlayStation version is without peer. And now you can see for yourself just how close it is to the 'real thing'. Our demo has the option.zo play as either Kano or Sonya against the same computer-controlled character or against another human being. If you haven't played MK3 before, the latter choice might be preferable since the computer plays a very mean game. You can also choose between playing in the subway or on the street.
Controls
High kick
High punch
Low kick
Low punch
R1 L1 Block
R2 L2 Run
Animalities
To perform an animality in the final round, you can't use the block move and you have to perform a Mercy move.
Mercy
Gives your opponent some energy back. Hit Run and press Down twice.
Friendship
To pull off a Friendship move you can't block during your winning round. You can perform it anywhere on screen and even after a Mercy move.
Babality
Same rules as for Friendships – no blocking during the winning round.
Having selected Kano, he performs a fatality on Sonya, knocking her out of the screen!
Special moves [key]

Friendship – B F B D R
Babality – D D F ●
Best combo – ▲ ▲ ■ ■ X B + ■
Additional features
The full game offers 14 different kombatants and all manner of tournaments and skill modes to keep even mate-less gamers plugging away.
Every single one of the special moves in the coin-op have been faithfully recreated.
Further information
Mortal Kombat delivered a fatality to PSM2, and scored a whopping 9 out of 10 and a StarPlayer accolade. We like it lots.

1 The green splat denotes which player you're currently controlling. 2 And here's an overhead replay of a dunk. 3 Why not choose to use the isometric view, like the one here.
Total NBA '96
PUBLISHER: SCE
STYLE: Sports sim
PROGRAM: Playable demo
We gaped in veneration when the basketball title that is Total NBA '96 first arrived in the office. Lesser magazines might suggest that Konami's NBA In The Zone is superior, but friends, THEY KNOW NOT WHAT THEY SAY. Fools. Total NBA is the most polished, realistic, spectacular, and downright exciting sporting simulation in our crescent – though perhaps we'll pause for a mild nod in deference to Actua Soccer.
Listen to the tall people's basketball boots squeak across the shiny, polished court. LOOK at the shiny, polished court. It's great. And look at the way the lights and the hoardings reflect. And the way that the players move with fluid, motion-captured ease. Attempt some swift passing manoeuvres. Go for that three-pointer in the last seconds. Play it with a friend, it's basketball and we love it.
Offence
Shoot
Pass
Long pass
Dunk
Defence
Jump/block
Hustle
Swap player
Turbo
– extra pace for a precious couple of seconds
Additional features
The full game includes every NBA team and full statistics on each player. It also has three difficulty levels and full tournament options. And it's the finest basketball game ever. Recommended most heartily.
Further information
A Starplayer and nine-out-of-ten score was our verdict on Total NBA '96 back in PSM3. And now you can see why.
Mickey
PUBLISHER: SCE
STYLE: Platform game
PROGRAM: Playable demo
Oh Mickey, you're so fine, you're so fine you blow my mind, HEY MICKEY, crooned pony-tailed songstress Toni Basil back in the chill days of 1982. She could almost have been singing about this splendid platform game, only she was 13 years too early. It's actually called Mickey's Wild Adventure, but we're content to designate the simpler handle Mickey for the purposes of our demo.
The game is based upon The Mouse's filmic adventures and your level is from the 1937 flick The Lonesome Ghosts. You hop on ledges, ghost past ghosts, and chuck things at bats. Heck, it's a platform game, this is what you're supposed to do. Of course, if you are overjoyed with this and wish to purchase the game then you will be rewarded with much variety including a couple of excellent 3D levels where you (the Mouse) hurtle around a rotating stairwell. Anyway, food for thought, platter cleansed, away you go...
Controls
Jump
Chuck
Erm, jump
Additional features
It's cute, fun, and if you're champion and walk the lot on Easy level, you can try and be Normal or Hard. For a change.
Further information
We awarded this a handsome seven out of ten back in issue three.
Don't touch the ghosts – they sap your energy dead.

that glorious summer of 1976.
One of the most realistic sporting simulations ever created. Yeah, sounds right.
Actua Soccer
PUBLISHER: Gremlin Interactive
STYLE: Football sim
PROGRAM: Playable demo
This is about as actual as football can get on a computer games machine.
The Match Of The Day-style presentation is complemented with commentary from the legendary Saturday night expositer Barry Ye who lives by the dive, may one day find that the swimming pool is empty' Davies. Gasp at the way the players side-foot the ball with astonishing realism. Catch one's breath after an unbelievable overhead kick. Actua Soccer looks good and plays flowing football.
The match you're cordially invited to join in is a United States and Russia affair – you're representing Uncle Sam. It's for one player, the first half of a five-minute game. Barry is pleased with both the weather and the pitch so just go out and give 110 per cent, but most importantly, enjoy yourselves. And watch the offside.
Controls
Pass
Shoot/slide tackle
Speed burst
Toggle player
Rotate the player in certain set pieces
Change the camera
Pause game
In-game options use the directional arrows for aftertouch
Additional features
A host of international teams, camera angles by Sky Sports, and a surprising depth to the gameplay. Actua Soccer will be difficult to shift off the summit now. You can customise all the options and rules, so if you don't like the offside law, you can turn it off.
Further information
A nine out of ten in PSM3 shows just how highly we rate this game.
In any football picture, one player is always running the wrong way. A goal is always a tremendous boost.

A face hugger appears in front of some fuel barrels. You have a shotgun. It vails. Don't aim at the steam. A face hugger hugs, erm, face.
Alien Trilogy
PUBLISHER: Acclaim
STYLE: Shoot 'em up
PROGRAM: Playable demo
Alien Trilogy is the most talked about game of the moment. Here's what we said about it two months back: 'Smooth of movement, big of picture, and puzzly of action. Monsters, guns and an adventure in the offing. Oh yes, you will enjoy Alien Trilogy. You called us in the weeks preceding its release asking for all kinds information. 'Is it better than Doom?', you queried. 'Are the levels longer and harder?', you continued, without pausing for breath. 'And is it really just like the films and stuff?'. Heretofore you knew not the answers.
Well ponder no more. Our friends at Probe and Acclaim have put together TWO huge playable levels for your delectation (200Mb's worth of levels – that's almost one third of the disc space, no less). You can judge for yourself whether the face-huggers are the most horrible little beggars on the face of this, or any other, planet.
You begin in an enclosed space with but a handgun for company. Press the button upon which stands the orange circle. Give it a tap. Go on. That's the sound of the door opening. Off you go – relieve two face-huggers of life. DON'T STEP ON THEM. You did, didn't you? And everything went red. Concentrate. Go get the shotgun – you'll need to shoot some of the packing cases. There's a lamp to collect, too.
You are playing this in the dark with the sound turned up, aren't you? Good. There's a time-limit to the action so you'd better get a move on. If a wall looks flimsy, unload a few bullets – it may collapse and reveal a secret room. We'll say no more, we don't want to spoil it for you and you're old enough to know what to do.
Your demo combines features from many of the levels of its fulsome friend on the shelves, so you're pretty much getting an idea of what the whole game is about. No, don't bow and scrape, Captain Somebody in Warp Sector Four Or Somewhere needs your help...
Controls
Weapon
Action
Fire 1
Fire 2
Strafe right
Run
Strafe left
Look
Additional features
It's BIG. There aren't as many levels as, say, Doom but Alien Trilogy's last longer and are much harder. It's a game you should have.
Further information
Back in PSMS we awarded Alien Trilogy an eight plus a StarPlayer logo for good measure.
A large reptile approaches. He shimmys from side to side. You unload the shotgun. The reptile falls over. Ha!

adidas POWER SOCCER
The sturdy Mancunian prepares to throw in the obtrusive CPU icon which hovers above his head. Irwein, he's called. The players have been renamed.
Adidas Power Soccer
PUBLISHER: Psygnosis
STYLE: Football sim
PROGRAM: Playable demo
Once again we deliver the killer ball. You've played demonstrations of both Striker '96 and Actua Soccer, if you were clever enough to purchase PSM6 – we trust you were. Now welcome the much-talked-about Adidas Power Soccer. It's a one-player match played between Psygnosis and the somewhat spuriously named Manchester (the Red Devil variety). And you'll be pleased to know you're NOT Manchester. APS is a blinding looker, even though the players run in a right daft manner. By the way, if the demo starts running on its own, DO NOT UNDER ANY CIRCUMSTANCES DEPRESS THE X BUTTON. Press START instead. Anyway, it's football and you pass the ball around and try and score. As it were. It's a pretty simple game to get used to. The one-touch passing generally goes to feet unless you're COMPLETELY CRAP. And the two-footed challenge is a delight. If you press two buttons at the same time, funny things happen. So try it.
Your demo is the simulation version of APS. The arcade option is the one with all the mad kicks so if you want to see them, depart and purchase the game. Brian Moore does not make a sonic appearance in this two-minute game, either. We're pretty sure you'll think this wonderful, though.
Controls
Pass/slide tackle
Shoot/two-footed challenge
Long pass
Ride a challenge
Additional features
The arcade option features the mad special moves. And there are teams from France, Germany and England – only the top division, mind. The German commentator is fantastic, a pleasant diversion from veteran ITV anchorman Brian Moore, and there's even a special cheat you can access to get daft female commentary.
Further information
It scored eight out of 10 and was awarded the coveted StarPlayer logo last month.

Official UK PlayStation Magazine
96 AUG
1 When you use the inside-the-car view, you get the benefit of a rear-view mirror. 2 The formula follows the original, but it's still fabulous.
Ridge Racer Revolution
PUBLISHER: SCE
STYLE: Racing sim
PROGRAM: Playable demo
You probably didn't imagine that there would ever be a playable demonstration of Ridge Racer, what with it having just the one track and all. Ridge Racer Revolution, however, has three of the blighters and our friends at Sony have kindly proffered one lap of the Novice level for your delectation. Good of them, we think you'll agree.
Ridge Racer remains one of PSM's favourite games. There are those that reckon the original is rather too easy but you cannot deny that it's beautifully formed. The car control is immaculate – indeed, the first time you pull off a powerslide is one of THE tremendous moments in your gaming life. And if you leave the fellow alone for a while, it's nice to hop back into the driver's seat for another spin.
Ridge Racer Revolution is a different kettle. Entirely. Although it looks the same, it's considerably tougher. There are far more twisty turns and bendy bends and very few places where you can really open the old gal up. And what of the powerslide? Forget everything you learned in the original, for the slightest on-off-on petrol scenario sends you pirouetting wildly across the road.
Practise just nudging the buttons when you want to powerslide – you'll get there. Eventually. Of course, the most important test is your lap time. If you're travelling at under one minute and 10 seconds then you're going some. You can even play your own favourite music to the lap if you swap the discs on the starting line, although you'll have to reset the machine at the end of the race. And you'll only be out there for a minute and some, so make it a punk classic.
Controls
Accelerate
Brake
Change view
Additional features
More tracks, loads of cars and some rather nifty buggies – if you can shoot down the aliens in less than 44 shots. Or something.
Further information
Ridge Racer Revolution scored eight in PSM6. And it's in the shops now.
The track stretches through city, beneath tunnel, through ridge and across something which looks a bit like Key Largo. You know, with Humphrey Bogart.

120 DEC
Wipeout 2097
PUBLISHER: Psygnosis
STYLE: Racing game
PROGRAM: Playable demo
Psygnosis and Namco are undoubtedly the best softco performers on the PlayStation. Not two months back, we furnished you with a superb playable demo of Tekken 2, featuring the new characters. Four weeks ago came the long-awaited Formula One and first to the grid were our good selves. Now we bring you the full and completely topper Psygnosis automsal line-up of Wipeout 2097, Monster Trucks, Destruction Derby 2 and Formula One (again).
Last month, Wipeout 2097 featured on the cover and after an extensive PlayTest, we awarded the game a whopping score of nine. The visuals have been polished and the gameplay tweaked accordingly. The courses are slightly wider and now if you scrape the sides, you don't grind to a halt as in the original game.
You get to race on Care D'Europa, one of the two most difficult courses ('Rapier Class', as it's known), the circuit based on a mythical disused French Metro. It's a windy affair and you'll need to be pretty sharp on the air brakes (located on the top shoulder buttons) – and it's mighty dark in parts, so a rudimentary knowledge of the circuit makes for a good ride.
Ensure that you hover over as many of the blue speed arrows and power-ups as possible in the two-lap race – tactical use of weapons is far more important here than in the original. Check the options on the menu. You can race in Novice or Expert mode – the difference is simply in the speed at which the game runs. Also, the ships handle quite differently, so try them all out.
Controls
Change view
Discard weapon
Fire
Thrust
Right airbrake
Left airbrake
Press and to return to the main menu.
Additional features
Think of more tracks, and secret courses and demon teams to race against. Consider a wealth of up-to-the-minute 'bangin' tunes'. And a wicked link-up option. You're about there.
Further information
Last month Wipeout 2097 scored nine out of 10 and was duly awarded a StarPlayer accolade.
Thrill to the sight of the missile tails flaring into the distance. Be amazed by the sumptuously enhanced graphics. Go all wobbly at the knees as your car, uh, ship-thing goes really, really fast. Scream obscenities as, once again, you ram into the arse-end of your opponent. It can only be Wipeout 2097.

PlayStation Magazine CD
If Christmas didn't bring you all the games you so emphatically begged for, fear not. For here, on this month's delectable disc, you'll find no less than FOUR playable demos, exclusive to PSM
Warhammer
PUBLISHER: Mindscape
STYLE: Strategy
PROGRAM: Playable demo
This demo puts you in command of six regiments facing an orc and goblin raiding party. You have a variety of troops at your disposal, including the Grudgebringer Cavalry, Carrowburg Greatswords, Wood Elf Archers, Cannon Crew, 1st Mortar Crew and an Amber Wizard. It might take a little time to master the control system, but once you get to grips with the many options and the ever-changing icons, you'll soon adapt to the interface.
Controls
First you must deploy your troops within the flagged area. Use the D-pad to move the 'sword' cursor around the screen and the X-button to select the icons. Note: the buttons on the control panel in the bottom-right of the screen change depending on what the cursor is pointing at – their positions correspond to the joypad buttons. Some 24 icons can appear on the control panel, but the main ones are as follows:
Deployment
Hand – Move a regiment within the deployment zone.
Spinning Arrow – Changes the direction a regiment faces.
Thumbs-up – Confirms choice of location and facing during deployment.
General
Tick symbol – Selects a regiment.
Tree – Indicates that a regiment is under cover.
White flag – Indicates that a regiment is routing.
Eye – Move the camera (use L2+R2 and L1+R1 to zoom in and out, or L1 and R1 to rotate), X and hold – Call up compass.
SELECT – Overhead battle map
L1 or R1 – Cycle through regiments in Heads-Up Display (click on regiment banner icons to select HUD).
Battle
Sword – Orders selected regiment to attack.
Walking Man – Issues movement orders.
Bulging bicep – Gives regiment a momentray boost of strength.
Horn – Sound 'Charge' order.
Arrow – Sound 'Fire' order.
Broken Sword – Sound 'Retreat' order.
L2 or R2 – Cycle through enemies in Heads-Up Display.
Additional features
The full version comes complete with an 85-page manual, explaining all the game's subtle nuances.
Further information
Scored 8/10 and a StarPlayer in PSM12.
Warhammer stands out as being one of the finest strategy games for the PlayStation.

Playable demos of three of the greatest PlayStation games of all time, plus a preview of a ground-breaking game from Psygnosis.
We spoil you
Official UK PlayStation Magazine
MAR
Destruction Derby 2
PUBLISHER: Psygnosis
STYLE: Racing game
PROGRAM: Playable demo
There's not a racing game to match it. Destruction Derby 2 is one of the most nail-biting, intensely exciting racing games there has ever been. 'It's different and it's brilliant,' we concluded in PSM issue 13 when we reviewed it. It was all going so well. Then the mistake was made. The mistake that has haunted us ever since.
Issue 13 had a cover demo of DD2 that we claimed was fully playable. It wasn't. Our shame knows no boundaries, and now, after months of cajoling, pleading and threatening, we can make amends.
Witness this, the first fully playable demo available anywhere in the universe. Climb into your car, gun the engine, scream around the course at break-neck speed, crash horribly and then thank us for the experience.
Controls
Steer
Accelerate
Brake/reverse
Change the camera angle
Sound options
Additional features
Seven tracks of this kind of racing, plus the arenas for total car-nage (sorry), add up to the kind of computer racing experience that your grandmother could only dream of.
Further information
Destruction Derby 2 scored 9/10 in PSM13 and was duly awarded a StarPlayer award.
A massive, high-octane dose of carnage and destruction awaits you.
Race Over
1 When you cross the finish line, make sure you do it with as much style as possible. You'll be hard pushed to beat this, though. 2 The demo has sound and music options, so you don't have to annoy the neighbours. 3 All the worst problems seem to happen at corners. If you're part of a pack, just try and steer a straight line through - don't worry about the rest of them.

Play exhilarating football at the very highest level, command deadly battalions of men on an alien planet, kill robots by the score, run around with a hammer... All things you can do with this demo disc
Adidas Power Soccer International '97
PUBLISHER: Psygnosis
STYLE: Football game
PROGRAM: Playable demo
Hello... hello... it's good to be back, good to be back', is what the crowd should be singing in the background as we welcome the return of one of our favourite soccer games. New and improved for 1997, Adidas Power Soccer International '97 is really just what it claims to be: Adidas Power Soccer... with international sides.
In this frighteningly good two-minute demo, you get to play as France in a France vs England match. There's a certain joy to it all as well; you'll chuckle as you cynically back down Shearer on the edge of the penalty box, laugh as you skip past big-man Tony Adams in the heart of the England defence, and roar as you stick one past Seaman from 30 yards out.
There couldn't be a better advert for this game. It's easy to control, easy to learn and great fun to play. Give it a go – you'll soon be hooked.
Controls
Skip – Use this to avoid incoming tackles when you're in possession of the ball.
Shoot – Don't be afraid to try this from some way out.
Short Pass – Tap the ball in the direction you're facing.
Long Pass/Tackle – If you're in possession, this'll hoof the ball away up field; if you're not, it'll tackle whoever's nearest to you.
Further information
Adidas Power Soccer International '97 will be out soon. Look out for a review next month.
Basically, what we have here is an updated version of the original. Don't buy this if you've got the first one.
Because the game has been coded by the Psygnosis office in France, they've kindly produced a demo which lets you play for the French against England. Check out the trick shots – they're excellent, especially the dirty tackles. Here's a neat challenge from behind.

Micro Machines V3
Don't worry!
PUBLISHER: Codemasters
STYLE: Racing game
PROGRAM: Playable demo
Micro Machines V3 is every inch a multiplayer experience. To reflect this, the demo features a two-player race only, so have that spare pad and a mate handy. In-demo options include the ability to switch weapons on or off, then race on one of two courses. Chemical Warfare is an hilarious tank level, while Splash 'n' Dash puts you in control of both the chunky-tyred monster-truck thingies plus the highly manoeuvrable speedboats. And if you're still craving more after that, following on from the playable bit is a rolling demo which shows you a smart selection of the other tracks, vehicles and weapons that you'll experience, should you buy the final version.
challenged to climb a slippy-slidey sandcastle. Add to this the masses of vehicles at your disposal, plus six different weapons to spice up the action, and you have a top racer here.
Further information
Micro Machines V3 was reviewed in issue 18 and earned itself nine out of ten, plus a StarPlayer accolade.
Experience the massively playable

Rage Racer
PUBLISHER: SCEE
STYLE: Racing game
PROGRAM: Playable demo
Rage Racer is one of the year's most eagerly awaited releases. It's the third of Namco's arcade road racers – Ridge Racer and Ridge Racer Revolution being the opening gambits – and a wonderful driving experience. Indeed, head to page 96 for the lowdown of the complete game. Rage differs from the first two in the series in that it's structured so as to ensure the driver must constantly improve and win races to earn prize money to upgrade his car. Also, your opponents are wont to swerve across the road and block your path.
You take control of the first car, the Cnade Esperanza, in the Class Three circuit called the Mythical Coast. The pressure's on because it's the last lap and you're in twelth spot – last, if we're to speak plain. But once you get to grips with the car you'll find yourself flying past the back markers. The controls are incredibly simple – bash the 'X' button to accelerate and 'Square' to brake. Unlike the previous games, Rage's circuits are far more undulating so you find yourself slowing dramatically on the climbs. This is why you need to earn cash to purchase new motors, or to tune up your existing car.
This is certainly one of the best demos we've ever featured.

So is Tomb Raider 2 really that good? How does Colony Wars shape up? Has Namco done it again with the sequel to Air Combat? Is Overboard! as much fun in two-player mode? And what about Broken Sword 2? Judge for yourselves with this month's bumper CD...
Tomb Raider 2
Tomb Raider 2 is packed with baddies, new locations to explore, and smart new graphics.
PUBLISHER: Eidos
STYLE: 3D arcade adventure
PROGRAM: Playable demo
It's definitely shaping up to be the best Christmas ever for PlayStation owners, with a flood of fantastic new games due to hit the shelves any day now. Psygnosis leapt into the fray with F1 '97, the eagerly awaited sequel to the best-selling PlayStation game in the UK. This was followed by last month's excellent G-Police, and this month sees the quirky Overboard! and the visual delights of Colony Wars: Final Fantasy VII, the roleplaying epic from master of the genre Square, will be out any day now (see this issue's full review on page 188, and the rolling demo on this very disc). And to top it all off, Lara Croft has returned in the sequel to one of the most critically acclaimed PlayStation games ever, Tomb Raider.
Tomb Raider 2 sees Lara off on yet another Indiana Jones-style adventure. This time she's searching for the lost Dagger of Xian, which once belonged to some Chinese geezer and is rumoured to have magical powers. Unfortunately, Lara isn't alone in her quest – a number of other powerful, mysterious, and generally unsavoury groups are also seeking the power they believe the ancient weapon will grant them.
Our exclusive playable demo of the game features part of the first level, which takes place inside a secret tunnel complex hidden inside the Great Wall of China. As far as Lara's research can tell, it's here that the dagger should be found.

Pandemonium 2
Who says that January is a bad month for games? This issue's mammoth cover disc is jam-packed with no less than five top demos, plus another exclusive look at the latest Yaroze creations. Even we're impressed.
PUBLISHER: BMG Interactive
STYLE: Pseudo 3D platform game
PROGRAM: Playable demo
This time last year the Christmas games battle came in the shape of a small Australian marsupial taking on the might of two undersexed teen wizards – Crash Bandicoot vs Pandemonium. Twelve months on, both games have sequels out and it's marsupial vs magician all over again.
Last month's disc had a Crash 2 demo, so this month it's Pandemonium 2's turn with this introductory level. Your mission is to work your way through a variety of puzzles from snow-capped mountains to the slippy-slidey pathways of the later segment. As with the full game, both characters are available. Nikki can reach great heights with her jumps, while Fargus wields a weighty weapon in the form of Sid, his trusty wand. Take our advice, and use Nikki for this one – height is the key here. Have fun.
Controls
Left

PlayStation Magazine CD
You've just bought a PlayStation.
You want to buy some funky new games for it. They are very expensive. You wish you had a way of playing them before slapping down your ackers. If only some lovely magazine would compile some kind of demo CD, maybe crammed with all the best titles. Ah, if only...
SCOTLAND 0 0 GERMANY
GOAL KICK
Who'd have thought we'd ever see these two giants playing at the MacAlpine Stadium? Recognise him? Goal kick. The players nearly look like their real-life counterparts.
PUBLISHER: Gremlin Interactive
STYLE: Football sim
PROGRAM: Playable demo
One of the most fervent disputes in the PSM office recently has surrounded Actua Soccer 2 and its deserving place in the ranks of top PlayStation footie sims. There are those who still swear by ISS Pro, while a growing number of Judases are convinced that the goalposts have shifted to Actua Soccer 2. There are so many reasons to recommend AS2 – superb hi-res graphics, top commentary from Trevor and Barry plus avast team selection. You can forget all of these, though – the real reason for getting hold of Actua 2 is simple: it's a huge amount of fun.
Footie games often fall into two categories: slow methodical games (FIFA '98) or fast, up and at 'em titles (Soccer '97). As you can see from this England vs Scotland playable demo, Actua 2 falls squarely into the latter, with the action taking place at a breakneck speed. Ignore Gremlin's cringeworthy cinema advert – Actua Soccer 2 is spectacular. Over to you, Konami.

Cool Boarders 2
Jin takes to the slopes for an afternoon's boarding. Be sure to keep a note of the controls that appear on the demo's loading screens.
PUBLISHER: SCEE
STYLE: Snowboarding sim
PROGRAM: Playable demo
After the intriguing rolling demo last month, your appetite is about to be whetted to the point of complete saturation with this month's eminently playable section of Cool Boarders 2. Although there isn't a huge amount of competition on the market, CB2 still looks more than impressive, and it has to be said that the game is almost as good a snowboarding simulation as we could have hoped for.
There's plenty going on in this demo, too. In it you get to choose one of four 'radical' characters (all complete with ridiculously overpriced clothing that can only be worn for six weeks of the year), select the tool of your victory from the three boards supplied and then take to the Boardpark... A lengthy slope that generously contains some of the best elements of the rest of the game – jumps, ramps, slides, etc.
We've included the basic controls here to get you started but, with practice and a careful note of the ones that appear on the loading screens, you should have the hang of the game in no time. Happy boarding.
Controls
Left
Right
Improved balance
Speed up
(Direction) Tight turns
+R Grab board
Jump
Additional features
When you've mastered this track, you'll no doubt be pleased to note that the complete game has a further 15 of them (plus a stunt halfpipe, too). A two-player option, secret characters and an impressive soundtrack round off the package nicely. Cool Boarders 2 is nothing if not comprehensive...
Further information
Reviewed back in PSM29, we summarised that 'Cool Boarders 2 takes all titles with consummate ease. Buy yesterday'. High praise indeed, and the score of 8/10 it received was well-deserved.
We've got a varied selection of games this month, so whatever you're into, you should find something you like. Racing, fighting, war and huge robots – your life really isn't worth a dime without it. Go on then, what are you waiting for?
Don't fancy clouting into that rockface? Use the Square button to make the necessary sharp turn.

Resident Evil 2
Once again, we've compiled a monster of a CD for your playing pleasure. Mindless zombies, martial artists, leaping lizards and dirty rascals – they're all present, correct and ready to play. Who in their right minds could refuse an offer like that?
PUBLISHER: Virgin Interactive
STYLE: Arcade adventure
PROGRAM: Playable demo
Prepare once again to enter the gore-splattered world of survival horror with this demo, which enables you to freely explore Capcom's spine-tingler for a full 10 minutes. Unless you've been living on a remote Scottish island for the past few months, you'll know that Resident Evil 2 is set in and around Raccoon City Police Station a few months after the climax of the first game. Unfortunately, the zombies have now moved downtown, turning the coppers into undead man-eaters and causing general havoc all over the shop. Into this hellhole of walking corpses and mutant beasts comes Leon, a rookie cop who's more than a little confused when his new workmates try to eat him.
You, of course, take on the role of this beleaguered law-keeper, wandering through the fabulously rendered and hideously atmospheric townscape, avoiding undead aggressors and trying your best to discover what the heck is going on. As with the original, there are dozens of teasing puzzles to solve, a jaw-dropping shock around every dark, dingy corner, and a number of atmospheric movie sequences to piece the terrifying plot together. Play it alone and in the dark. If you're not a great big chicken, that is.
Controls
Left

TYYPPI: lumilautailu
OHJELMA: palattava demo
Valkka lumilautapelimarkkinoilla ei olekaan paljoa kilpailua, CB2 tekee vaikutuksen. Se onkin melkein niin hyvä lumilautailusimulaattori kuin toivoa saattaa.
Demosaikin on jo paljon toimintaa. Mahmoksi voi valita yhden neljästä 'radikaalista' laskijasta (jotka ovat niin täydellisiä, että heillä on jopa päällään nauretttavan ylihintaiset merkkivaatteet) ja jonkin kolmesta lumilaudasta, jolla syöksytään rinnin. Demossa käytetty rata on Boardpark, pitkähkö rinne, johon on ripoteltu anteliaasti joitakin pelin parhaista elementeistä: hyppyjä, rampeja ja liukuja.
Seuraavassa on lueteltu pelin perusohjaimet, joilla pääset alkuun. Lisää liikkeitä on kerrottu Vinkit-palstalla. Harjoittelemalla ankarasti saa: juonesta kiinni hyvinkin nopeasti. Hyvä lautailuilmoja!
OHJAIMET
vasemmalle
oikealle
parempi tasapaino
lisää vauhtia
(suunta) jyrkkä käännös
+ ote laudasta (grab)
hyppy
LISÄPIIRTEITÄ
Jos peli osoittautuu mieleiseksi, lienee hyvä uutinen, että varsinaisessa pelissä on viisitoista muuta rataa (ja halfpipe). Kaksingeltivaihtoehto, sataset hahmot ja vaikuttava taustamusiikki tekevät tuotteesta mukavan täydellisen. Cool Boarders 2 on kaiken kattava...
LISÄTIETOJA
"Cool Boarders 2 voittaa muut lumilautailusimulaattorit leikiten. Osta eilen." Esikatselussa peli sai 8/10 ja on hyvinkin sen arvoinen.
Kalliion törmäiminen ei suomaakaan houkuttele. Neliöpainikkeella tehdään riittävän jyrkkä käännös.

ON THE CD
Crash Bandicoot 3: Warped
'Tis a varied and volumous selection of gaming hi-jinks that inhabit your black disc of joy. The platform, the race, the adventure and the hoverboard all exist within its inky blackness along with the chance to watch cricket. If variety is the spice of life, truly we have over-egged the pudding.
Official UK PlayStation Magazine
188 XMAS
Yes, Sony's very own cute and cuddly platform-jumping bundle of fun is back for another yuletide outing. Crash 3 features all the things we've come to expect from the furry little chap's adventures – huge, colourful, and silky smooth 3D levels, dozens of weird and wonderful baddies, the odd cunning puzzle or three and, as always, literally hundreds of apples to collect for extra lives.
Of course, there is the obligatory silly plot, yet again revolving around Crash's arch-enemy, Neo Cortex and his latest despicable scheme, but it's little more than a flimsy justification for hours and hours of top quality 3D fun. All that Crash has to do is stay alive and collect a series of powerful gems that are scattered across each of the game's levels.
But anyway, enough blathering – slip that luvverly demo disk into your PlayStation and find out for yourself just how good Crash Bandicoot 3: Warped really is... Our demo sees Crash in the medieval times, avoiding knights, wizards and frogs.
Spin matey-boy to death or get swiped in two with his big sword.

additional features
The full version of Crash 3 features no less than five worlds, each with five enormous levels to explore, all packed full of baddies, apples and all the other stuff you'd expect from the PlayStation's premier platforming hero. On top of that, in addition to his usual running, spinning and jumping antics, Crash also gets the chance to ride a variety of steeds, including a motorbike, jetski and even a cute little dinosaur-type fella. Oh, and did we mention the secret sixth world?
further information
A full, in-depth review of Crash Bandicoot 3: Warped appears in this very issue, so if you want to find out just how good the full game is, simply flip to page 90. Lucky coincidence, or cunning planning on our behalf? We'll let you decide...

ON THE CD
Populous: The Beginning
PUBLISHER: Electronic Arts
STYLE: Strategy/God game
PROGRAM: Playable demo
Just when you thought there wasn't enough war and violence in the world, we give you the opportunity to play God. Well, Shaman, anyway.
Sound good? It is, but it's not quite the easy ride it may sound. Shamans have power only as long as the people believe and have faith in them. If your followers doubt your competence, you'll lose your immortality, added to which these mere mortals provide you with the magic spell-casting potion (Mana) that's vital to your survival. It is indeed refreshing to have people kissing the earth beneath your feet. Just don't forget it's only a game.
Within the demo is a training mode, where you'll be guided through three tutorial stages. Follow the instructions of the ancients and you'll be ready to begin the game.
EXAMPLE ACTIONS
Casting a spell
Press 'Spell/Building Menu' (□ button) to bring up the Spell menu. Move the highlight using the Directional buttons then press 'Action' (⊗ button) to select the spell you want. The menu will automatically close. In the top left-hand corner of the screen, you'll see the icon
THE CONTROLS
CONTROL | IN-GAME | SPELL/ BUILDING MENU | PEOPLE MENU
Directional buttons | Moves cursor on screen | Moves the menu highlight | Moves the menu highlight
⊗ | Action (selects objects or buildings; instructs selected people to go to a specific point) | Action (selects the highlighted spell) | Action (selects a single person; additional presses add people to selected total)
○ | Cancel (cancels selections or actions) | Cancel (exits menu) | Cancel (resets number of people selected to zero)
△ | Select Shaman (first press selects the Shaman; second press zooms the view to the Shaman) | | |
□ | Cast spell | Spell on/off (in the Spell menu, you can toggle spells on and off for Mana charging) | Select all (will select all the people in the current highlight)
L2 | Rotate left | | |
R2 | Rotate right | | |
L1 | Opens People menu | Opens People Menu | Closes People menu
R1 | Opens Spell menu | Toggles menu (first press switches to Building menu; second press closes menu) | Opens People menu

Official UK PlayStation Magazine – Issue 46 (June 1999)

SAAT KAIKEN TÄMÄN LEHDEN MUKANA!
Kunhan Star Wars –artikkeleilta ehtii, demo-CD:llä on herkullista ajanvietettä: Yaroze-videopokeri, roolipeliherkkua, tilaisuus harjoitella jumalalokkaan elkeitä Populouksen maailmassa ja uusia säveliä Musiciin!
POPULOUS: THE BEGINNING pelattava
Kutsumme kaikkia yksinvaltiaita! Opettele pelaamaan tätä huippuluokan maailmanvaltausta huippuluokan harjoitustehtävien opastuksella.
KKND: KROSSFIRE pelattava
Komentele pikkuihmisiä futuristisilla kalman kentillä. Täältä ei palata kuin saappaat edellä ja pieninä palasina...
PUMA STREET SOCCER pelattava
Laadukas urheiluvalinesarja on lykännyt markkinoille pelin. Olisiko suutarin pitänyt pysyä lestissään? Selvitä se itse.
GRANSTREAM SAGA pelattava
Tutustu Sonyb uusimpaan roolipeliin. Tässä pelissä on virtaa! Katso vaikka vieressä olevan tytön kylpyvarstaa...?
LIVE WIRE pelattava
Nappaa kiinni virtajohdosta ja nauti pulmanratkaisusta. Iskee napakasti!
JUDGE JULES' MUSIC pelattava
Albumillinen Music säveliä (mukaan lukien yksi Julesin sävellys). Kuuntele sävelet. Lataa ne sitten pelin täysversioon ja tee oma versio Judgen soundista!
YAROZE POKER SIM pelattava
Kokeile, miten pokka pitää, kun pöydän toisella puolella kyhjöttää pieni harmaa pelikonsoli.
YVJ pelattava
Your VJ:n polla alkaa säteillä, kun laitat musiikki-cd:n PlayStationin kitaan.
CARMAGEDDON video
Varoitus! Raakaa meininkiä! Käänteistä liikennevalistusta viimeisen päälle.
APE ESCAPE video
Tässä taitaa apinat karata. Kannattaa jättää eläntärhat perustamatta, jos perustaidot puuttuvat.

ON THE CD
Syphon Filter
PUBLISHER: SCEE
STYLE: Stealth/action/adventure
PROGRAM: Playable demo
Were you one of the misguided few who nearly bought an N64 just for GoldenEye? You need never have reservations about the quality of PlayStation games again. If the constant stream of top-quality titles hasn't convinced you already, then this third-person, level-based shoot 'em up will. Rightly billed as the American Metal Gear, Syphon Filter has got a whole lot to offer – yup, only you and your team can save the planet from total viral destruction...
agent. You're sent on a mission to eliminate a group of terrorists who are creating biological weapons of mass destruction, the like of which have never been seen before. Of course. Their plan is to release the Syphon Filter Virus on the US and yes, you have to stop them...
further information
Sneak your way back to our PlayTest on page 82 for more Syphon info.
controls
Carefully snipe them or just blow them to kingdom come.
additional features
In the full game you play the part of Gabe Logan, a special intelligence
Stealth be your watchword.
Guns, cars, more guns, dangerous driving and shedloads of unrelenting violence. A piquant bunch of demos this month so take to the road with the bawdy barrage of thrills, spills and chills that is PSM Disc 47.
EDITED BY: Catherine Channon
TO USE DISC 47, load it, and scroll through the game choices using left and right. Press X to select the demo you want. At the end of the some of the demos you will need to reset your console.

Official UK PlayStation Magazine – Issue 47 (July 1999)

SAAT KAIKEN TÄMÄN LEHDEN MUKANA!
Tällä sivulla on esitelty VPL17 mukana tulevan demorompun upeat peliuutuudet. Pelaa PlayStationin parasta tasohyppelyä Ape Escapea! Onko Syphon Filter parempi kuin Metal Gear – kokeile itse! Driver on yksi vuoden menestyspeleistä ja nyt VPL tarjoaa upouuden pelattavan demon! Bloody Roar -taistelupeli on saanut jatkoa, joten laita peliohjain taisteluasentoon ja anna palaa!
SYPHON FILTER pelattava
Metal Gearin ystävät? Tässä teille maistiainen kulmakunnan uudesta eliittikommandosta. Terroristit uhkaavat biologisella hyökkäyksellä. Vie heiltä hernerokka ja ruisleipä.
APE ESCAPE pelattava
Hipsuttele banaanien lomitse tässä sopossa kentässä kreisistä pelistä. Apinat ovat nousseet kapinaan ja yrittävät vallata ajan ja avaruuden.
MONACO GRAND PRIX pelattava
Tutustu Kanadan ja Italian maisemiin VPL:n ikiomassa kahden radan yksinoikeusdemossa. Tahdotko Häkkiseksi Häkkisen paikalle? Tätä lähemmäksi et todennäköisesti voi päästä.
BLOODY ROAR 2 pelattava
Muotoa muuttavan mätkinnän toinen osa. Tikru vastaan ötökkä.
FINAL FANTASY VII video
Jos tämä ei houkuttele tutustumaan peliin, niin ei mikään. Kyseessähän on vain PlayStationin tähän mennessä paras peli. Tästä ei pelattavuus, juoni, kiinnostavuus ja grafiikka enää parane. Ja kun peli on julkaistu Platinum-sarjassa, hintakaan ei voi enää olla este.
COLIN MCRAE RALLY pelattava
Jos et ole vielä pelannut tätä rallipelien huippua, tutustu siihen nyt. Platinum-sarjan ehdotonta huippua.
DRIVER pelattava
San Franciscon auringon paahtamat kadut odottavat käsijarrukäännöksiäsi ja kumin polttoa. Parhaimmillaan Dual Shock -ohjaimella! Uusi demo!
ACTUA ICE HOCKEY 2 Video
Tähän voi jäädä tatkaan.

Anna Kournikova's Smash Court Tennis
PUBLISHER: SCEE
STYLE: Arcade tennis
PROGRAM: Playable demo
It's that time of year again. Head down to the supermarket and grab yourself a punnet of strawberries, half a flagon of cream and a bottle of fizz. Namco's smash hit, Smash Court Tennis, is an all-time classic and it's no surprise that this souped-up version provides all the gameplay fun that we've come to expect from Namco-san. That and an endorsement from page 3 'stunna' Ms Kournikova means they're on to a sure fire winner.
In the demo you're given the option of several players and, whether you play with a friend or against the computer, you'll soon be gagging for more. You get to play a couple of games in Exhibition Mode on the overly green grass of the US. Its easy-to-use control system means that within minutes you'll be rallying faster than Burns and Griest.
controls
Lob
Super shot
Strong shot (fast serve)
Weak shot (normal serve)
Top spin
To serve press ⊗ and just as the ball begins to loose height press ⊗ again and you're away. Aces can be achieved using ⊗ rather than ⊗. Go closer to the net and you can volley with the best of 'em.
Press the ⊗ button as you serve for an ace. "15, love."
additional features
It's in Multiplayer Mode that Smash Court Tennis is at its best. The full game enables you to play against four other people in a doubles match. You're offered a choice of ten street courts, four pro courts (with different surfaces) and 24 initial characters with more hidden ones to choose from.
further information
New balls please!. You'll find a smashing score of 8/10 in PSM46.
Fault
While the acid green courts and diddy players may not look much like Wimbledon, the gameplay will take your breath away.

THIS MONTH'S LITTLE BLACK NUMBER IS SURE TO PROVIDE YOU WITH PLENTY OF FINGER-JIVING ACTION. BUTTON BASH YOUR WAY THROUGH SPEED FREAKS, EVIL ZONE, UM JAMMER LAMMY AND BUGS BUNNY.
Speed Freaks
PUBLISHER: SCEE
STYLE: Kart racer
PROGRAM: Playable demo
This game's good. No scrap that – this game's excellent. Despite the game's lack of originality, Speed Freaks tops even the SNES version of Mario Kart. Pure unadulterated gaming fun and a classic that should be on the shopping list of any gamer. And now PSM is chuffed to give you the opportunity to enjoy it for yourselves.
Our demo gives you the chance to play Single, Multiplayer and Demo Modes with six characters to choose from. While whizzing around the track, pick up power-ups and weapons – these can be found littering the track in boxes – before steaming into victory. As games go, Speed Freaks is one of those sleep-deprivation types. It's the kind of game that could wreck a relationship. But it won't. This is where the beauty of Speed Freaks lies. With its Multiplayer Modes, there's no need for anyone to be left out. Stop reading this, slap it in your PlayStation and play... NOW.
controls
D-pad Steering
Brake
Accelerate
Camera
Powerslide
Powerslide
Fire
Boost
additional features
There are plenty of them. If our demo hasn't made you want to buy it already, then perhaps some of these options will – 24 tracks, five Play Modes, nine characters (three of them hidden). And finally, the Vs Mode on the demo is two-player. In the full game you also have the option of three or four-player. Top fun all.
further information
Pages 90-94 of this issue sing the praises of this astonishing automobile action.
It may look cute, but it sure has a wicked sense of fun. Grab a mate and fire up your engines for an hour or three of Speed Freaks. Races don't come much wackier.
EDITED BY: Catherine Channon

Wip3out
PUBLISHER: SCEE
STYLE: Future racing
PROGRAM: Playable demo
PSM is proud to present one of the best racing games of all time. The original WipEout kick started the era of the PlayStation. Thousands spent far too long sitting close to their TVs, listening to the Chemical Brothers at a deafening volume as they flew their craft towards victory – and it looks like we can look forward to more of the same, but even better. Technology has moved on and the ships behave more responsively and realistically than ever before. The demo illustrates one of the many split tracks which have been put into the game. One of them is a short cut, but it may not necessarily be the best route to take. The other is packed with weaponry, making the game far more tactical. You'll need to get your racing strategy right if you are to succeed.
Tear around one of Wip3out's split tracks, making split-second decisions whether to go for speed or tactics.
additional features
Seven new weapons, full two-player on-screen action, a sound track including Underworld, the Chemical Brothers, Paul Van Dyk, eight hi-res circuits, eight racing teams... What more could you possibly want? A return ticket to Venus?

Pidä ohjaimista tiukasti kiinni Wip3outin vauhdissa, hyppää pyörän selkään ja viiletä vuorenrinnettä alas, rokkaa Lammyn kanssa, paukuttele kaikkea mikä liikkuu Point Blankissa, ohjaa pikku helikopteria ja kolaroi legoilla. Tällaisen päivän jälkeen onkin mukava vielä katsoa F1 '99 esittelyvideo!
WIP3OUT pelattava
Yksi kaikkien aikojen siisteimmistä avaruusralleista tulee taas! Tältä rakettirekien pitää näyttää!
NO FEAR DOWNHILL MOUNTAIN BIKING pelattava
Maastopyörällä vuoren kuvetta alas. Hullun hommaa? Kyllä vain!
UM JAMMER LAMMY pelattava
Ilmakitaran rämpytystä kahdelle. Üuden piirretyn sankarin Parappamaisia kujeita kaksinpelattavassa demossa.
POINT BLANK 2 pelattava
Riemukas kolikkopelipistooliräiskintä iskee taas. Uusia haasteita koko rahalla.
R/C STUNT COPTER pelattava
Radio-ohjattavaa helkohubaa. Harjoittele sydämesi kyllyydestä kahden sauvan kulkuneuvon hallintaa.
LEGO RACERS pelattava
Ihan palikka kilpa-ajopeli. Ja palikat kuskit. Ja palikat autot. Alat varmaan jo ymmärtää...
FINAL FANTASY VIII video
Herkutteljan roolipeli. Tätä ei pitäisi tarvita esitellä sen kummemmin. Ja jos videon nähtyä ruokahalu ei ole herännyt, vatsassa on oltava vikaa.
F1 '99 video
Huumaa, katkua ja F1-maniaa. Telooko Schumacher koipensa myös virtuaalimestaruuskaudella? Millainen Malesian rata on ajaa? Pääseekö tässä vääntelemään ilmanohjaimia?
MISSION: IMPOSSIBLE video
Ihan mahdoton demo... eikä Tom Cruisea mailla halmeilla!
40 WINKS video
Painu pehkuihin Ruffin ja Tumblen seuraksi.
LMA MANAGER video
Hallintasimujen uusi kuningas. Rakenna katsomoita, ota lainaa, etsi uusia kykyjä.
THIS IS FOOTBALL video
Kuka muka Urheiluruutua kaipaa?

More beauteous than ever Ms Croft's latest adventures will keep you up way past bedtime
EDITED BY: Catherine Channon
Comments, queries and blather to disc@psmonline.co.uk or fax us on 01225 732291. Sorry, we are unable to answer you queries over the telephone
The more observant among you will already have noticed Tomb Raider: TLR playable demo on the disc, but the sassy arrival of Ms Croft's latest eagerly-anticipated title may cause you to overlook some of our other goodies. Make sure to check out the superb Gran Turismo 2 video. Or the massive demo of Spyro 2 which illustrates all the improvements that have been made to the lil' fella. Or the memories of a misspent youth in the arcades, that Fighting Force 2 and Millennium Soldier's Robotron-esque demeanour will recall. Not too bad for starters – and just you wait until you see what we've got planned for next month...
Catherine Channon
TO USE DISC 52
Load the disc and scroll through the game choices using ← and →. Press ⊗ to select the demo you want. At the end of the some of the demos you will need to reset your console
Tomb Raider: The Last Revelation
■ PUBLISHER Eidos
■ STYLE 3D adventure
■ PROGRAM Playable demo
This month The Most Desirable Polygonal Lady In Videogaming History graces our disc. After the unprecedented success of her previous outings, Lara's back for more. We join the lovely lady in Alexandria, one of the game's five main locations, where she must explore the lost libraries of Cleopatra's Palace as part of her puzzle-solving quest. You'll need to find a number of items and piece them all together to complete the demo.
■ Controls
⊗ Action
○ 180° roll
□ Jump
△ Draw weapon
L1 Sidestep (press and use ↑↓←→)
R1 Camera (press and use ↑↓←→)
L2 Dash
R2 + ⊗ Dash and dive
L1 Laser sight (L1 to zoom in, R1 to zoom out. Also applies to the binoculars)
R1 Duck/crawl (press and use ↑↓←→ to crawl)
Shimmy up and down poles
⊗ + ↑ Climb up poles
⊗ + ↓ Climb down poles
Inventory. To select items press ⊗ to use the equip option. To combine items select the combine option and then equip.
■ Additional features
After all that Lucozade, Lara's positively bursting with energy. She's got twice as many moves as before. A lot of them are pretty incidental, but others have improved the way the game plays. Lara can climb and swing on ropes, her power thighs even mean she's able to kick down doors and crawl. Truly there is no end to this young lady's talents.
■ Further information
Brace yourself, and rip your way to page 108 for PSM's review.
DEC 99 OFFICIAL UK PLAYSTATION MAGAZINE 143

VPL: PARHAAT JUTUT – PARHAAT PELIT
PELATTAVIA DEMOJA!
TOMB RAIDER 4
The Last Revelation on Laran paras seikkailu. Kokeile rankkaa toimintaa muinaisessa Aleksandriassa tässä VPL:n ainutlaatuisessa suurdemossa!
SPYRO 2
Gateway To Glimmer on Spyro-tähtijärjestön uusi seikkailu. Tämä peli on kirjaimellisesti tulikuuma, joten kokeile varovasti!
FIGHTING FORCE 2
Tämä on Laran taitajoiden toinen peli tässä numerossa. Hyvä toimintaan ampuu tiensä tiiviin sodastajukkohteen ja vihollislaboratorioiden...Tofta!
KINGSLEY
Kingsley's Adventure on uusi tasoloikka-peli, jossa pelihahmona on seikkaileva kettuprinssi. Tämä vaatii taitoa, kokeile!
KILLER LOOP
Piditkö WipeOutista? Kokeile myös tätä kloonipeliä, saatat yllättyä. Luvassa on paljon vauhtikiasta futuristisia kilpa-ajoa.
MISSION IMPOSSIBLE
Tehtävässä, jos päätät hyväksyä sen, on pelata Mahdottoman tehtävän demoa. Tämä demoley toimii vielä siinä vaiheessa, kun tämä viesti on tuhou...
CHAMPIONSHIP MOTOCROSS
Nyt voit kokeilla, miltä Miskasta tuntuu Toppura-timiissä. Muta lentää korkealle tässä mopopoikien toivedemossa.
DESTREGA
Magiantäyttämä mätkintäpeli, jossa voit jostain korkuun,.. siis käytää laajaa maastoa hyväksesi etsiessäsi parempaa taktista taisteluta
EXPENDABLE
Retromeininkiä nykypäivän grafiikalla. Tässä ammutaan paljon ja räjähdykset ovat isoja, juostaan paikasta toiseen ja kylvetään tuhoa. Wau.
VIDEOITA
Tämän demoleyn sokerina pohjalla on kaksi esittelyvideota: Gran Turismo 2 ja Jimmy White's Cueball.

They say that too much of a good thing can be bad for you. Well, if demos were doughnuts – and to a certain extent, they are – PSM would have its jaw wired by now, with Gran Turismo 2 and Crash Team Racing guaranteeing more four-wheeled fun than a garage full of Ferraris. FIFA 2000, This Is Football, NBA 2000... We've also gone sports bonkers this month, with even the venerable Pong getting in on the footy scene. As for the rest, be on your guard with Rainbow Six and Jade Cocoon. In the wise words of that infamous ambassador's guest, "Wiz zis disc we are reelly spoiling you."
Actually he didn't say that but you get the...

Can the best racing game on the PlayStation get any better? Find out now
Gran Turismo 2
PUBLISHER SCEE
STYLE Driving sim
PROGRAM Playable demo
The best driving game to grace a disc makes its long-awaited return to PSM. Surprisingly, despite being talked about more than an Eastenders' storyline, little had been seen of GT2 until last months issue. Rest assured Polyphony have done the business, the graphics smoother than a lard milkshake and that GT gameplay remaining as addictive as a chocolate Caprice. How excited were we when this baby arrived in the office? Oh, just a bit...
In the demo you compete in a road race in Arcade Mode. Your choice of cars depends on which class you decide to compete in. Use the Fiat Coupe in Class B or the Mustang GT or Mitsubishi Lancer in Class-A. Should you wish to change your car's colour to something more your style, do so by pressing ↑ or ↓ at the Car Select screen.
Controls
↑↓←→ Steer
Analog Steer (left stick)
⊗ Accelerate
○ Hand-brake
□ Reverse
△ Brake
L1 Rear view
R1 Change view
L2 Shift down a gear (manual transmission only)
R2 Shift up a gear (manual transmission only)
Pause
Additional features
All you can see in the demo will be available in the full game. Scroll through the various options in Gran Turismo Mode to see what's in store or sit back, leave it to its own devices and watch the Demo Mode.
Further information
Next months issue sees a full review so don't forget to race (ho ho) to your newsagents for it. For more GT2 information turn to page 44.
XMAS 99 OFFICIAL UK PLAYSTATION MAGAZINE 143

VPL: PARHAAT JUTUT - PARHAAT PELIT
PELATTAVIA DEMOJA!
GRAN TURISMO 2
Voiko maailman parhaimman ajopelin uusi versio olla vielkin parempi? Kokeile pelattavaa demoa ja tutustu myös täysversion ominaisuuksiin.
FIFA 2000
EA:n futispeli ilmestyy yhä uudelleen ja uudelleen. Kokeile pelattavaa demoa, jossa Manchester United kohtaa Bayern Munichin.
CRASH TEAM RACING
Crash Bandicoot on lokannut mikroaution rattiin ystäviensä kanssa. Kokeile vauhdikasta menoa yksin, kaksin tai jopa neljästään.
NBA 2000
Fox Sports tarjoaa uutta ja realistista konpallottelua. San Antonio Spurs kohtaa New York Knicksin tässä TV-lähetyksen tyylisessä ottelussa.
RAINBOW SIX
Ohjaa kommandojoukot huumeparoni Ramon Calderonin tukikohtaan, vapauta pantiivengit ja elimistö riistinassen käytyrit npahdollisimmin, tahokkaasti.
JADE COCOON
Hauska fantasiaseikkailu, jossa 171 hirviötä odottaa, että löytää jy pyytäjät ne, harjoitat niitä ja laitat ne lopuksi taisteleman puolestasi...
PONG
Verestä vanhoja videopelimuistoja tällä klassikkopelin uudella versiolla. Voit kokeilla pallottelutaitojasi jäätkentällä tai ruohokentällä.
THIS IS FOOTBALL
Tällä levyllä on toinenkin futispeli arvioitavaksesi. This Is Footbal on Sonyn kohuttu haastaja. Kokeile itse onko siinä mestaruinesta.
VIDEOITA
Tämän demolevyn päättää Atariland Compilation -video, jossa on liuta uudelleenlämmitettyjä peliklassikoita.

Comments, queries and blather to catherine.channon@futurenet.co.uk or fax us on 01225 732291. Sorry, we are unable to answer you queries over the telephone
What a fantastic day it is here at the PSM black circuit. Weather conditions are perfect, mechanics are making final checks on cars and drivers are donning their fireproof suits. Now here come the cars, 5-4-3-2-1, they're off! Le Mans and Rollcage Stage II are neck and neck as they reach the first corner, coming up from the rear is Demolition Racer. But no, Space Debris is blasting through the pack on its way to the front. What a, um, bizarre race this is turning out to be...
Catherine Channon
TO USE DISC 55
Load the disc and scroll through the game choices using ← and →. Press ⊗ to select the demo you want. At the end of some of the demos you will need to reset your console
Problems with your CD?
Mark up your troublesome cover disc in an envelope and send it back to the following address. We will test it and, if it is faulty, we'll send you another CD. Please note we do not keep old discs in stock.
Official UK PlayStation Magazine Disc Returns, Customer Services, Future Publishing, Cary Court, Bancombe Road Ind Est, Somerton, Somerset TA11 6TB.
Speed your way around the track, watching out for fast, sharp corners, like the one at the end of this tunnel, and other equally dangerous drivers
Le Mans 24 Hours
PUBLISHER Infogrames
STYLE Racing sim
PROGRAM Playable demo
For over 75 years drivers, mechanics, cars and their followers have been flocking to northern France in search of motorsport's most coveted prize – the Le Mans 24 Hours. No other race pushes cars or drivers as far. Just completing this race is a feat in itself, before you even think about winning it. Success depends on months of precision planning, and a carefully-crafted race strategy. Infogrames' videogame version aspires to recreate all that is great about this momentous racing marathon.
Our demo enables you to play for a full 24 hours (well, providing you keep repeating it) – you'll be driving a GT2 car with Team Augusta. There are a number of options available, so you can tweak your car to your own specifications. Depending on the weather you might want to change your tyres, or adjust the steering. Or, if you're finding the race a bit of a drag, try fiddling with your fuel load or aerodynamics. During the race your car will sustain damage, so go easy on it.

VPL: PARHAAT JUTUT – PARHAAT PELIT
PELATTAVIA DEMOJA!
LE MANS 24 HOURS
Aja autoilla kilpaa 24 tuntia vuorokaudesta. Tämä on tarkoitettu varsinaisille ajofriikeille. Tämä kisa syö miehiä ja autoa kuin cyborgkannibaali.
ROLLCAGE STAGE II
Vastusta painovoimaa ja levitsi foolla WipEout tyylisillä atomiautoilla pitkin futuristisia kilparatoja. Kolme ajoka ja kolme rataa. Että sitä rataa.
COLONY WARS: RED SUN
Kaameina avaruusaluista ja ota vastaan kaikkoja, josta osa kahdessa tässä Eliten tyylisessä avaruustaistelussa. Innppaa voksumaailma vihollinen!
SPACE DEBRIS
Yksi maalainen vastaa sataa muukalaissaastaa. Ja parempi onkin, sillä apua ei ole saatavilla. Vain SINÄ voit pysäyttää alieien etenemisen.
DEMOLITION RACER
VIDEO Tuhoa, vaurioita ja autojen raakaa ruttaamista esittelee Demolition Racer. Kuvittele, että tuo on pompsi tai opettajasi auto.
MEDIEVIL 2
VIDEO Katso, kuinka Dan ravistelee LUUTUNEITA kasityksiämme historiasta. Suosikkizombimme on tällä kertaa viktoriaanisen ajan Lontoossa.
GHOUL PANIC
VIDEO Kummitustalossa tapahtuu kummia tässä Time Crisisin ja Point Blakin sekoituksessa.
COOL BOARDERS 4
VIDEO Luitasi alkaa särkeä jo pelkästä myötätunnosta, kun katselet näiden lumilautavirtuoosien kipsejähalveksuvia temppuja.
GRANDIA
VIDEO Mytologian ja magian maailmassa meuhkaava mielikuvituksellinen roolipeli. Justinin ja Suen on pelastettava maailma.
NELJÄ PELATTAVAA DEMOA JA VIISI ESITTELYVIDEOTA!

Two minutes is all it takes to put you in with a chance of winning a massive $10,000
EDITED BY: Catherine Channon
Comments, queries and blather to catherine.channon@futurenet.co.uk or fax us on 01225 732291. Sorry, we are unable to answer your queries over the phone
This month's disc goes easy on the bump and heavy on the grind with Tony Hawk's 2 making an eagerly-anticipated appearance. Check out the demo and get the chance to meet the man himself and win a whopping $10,000 – turn to p160 for more info. EAs Euro 2000 also makes an appearance, as does Muppet RaceMania. There's even an opportunity to take a peek at one of the most ambitious games to date – In Cold Blood. So many demos, so little time...

Comments, queries and blather to catherine.channon@futurenet.co.uk or fax us on 01225 732291. Sorry, we are unable to answer your queries over the phone
There are some big names headlining on the disc this month. Mr Colin McRae and his partner Nicky Grist front Colin McRae Rally 2.0, while Jedi Power Battles sees a return for those knights with sabers. Then there's old favourite Destruction Derby, making a comeback in its Raw state. But we mustn't let these over-shadow the possible stars of tomorrow, such as SCEE's In Cold Blood, Infogrames' Hogs Of War and Take 2's MoHo. We say bring on the new blood...

ROUND AND PLUMP WITH CD GAMING FUNK. THAT'S DISC 61. IT'S GROOVY, MAN
OFFICIAL EXCLUSIVE!
61
PlayStation Magazine
Crash, bang, wallop... You're not the only driver with destruction on their mind
EDITED BY: Catherine Channon
Comments, queries and blether to catherine.channon@futurenet.co.uk or fax us on 01225 732291. Sorry, we are unable to answer your queries over the phone
Star Trekking across the universe... Yes, we all know that song, and the hilarity it incites. That's why this month's disc frolics have had the entire office holding their sides with laughter. Bomb-bowing, car-smashing, bunny hopping, Ninja-loving action – what could be more fun? Perhaps all of the above, plus some high-speed arcade racing, some totally gnarly skateboarding trickery and the opportunity to win a PlayStation 2. You people are just spoilt rotten.
Catherine Channon

Destruction Derby Raw
PUBLISHER SCEE
GENRE Racing game
PROGRAM Playable demo
This smashing crash 'em up makes a welcome comeback in playable form on this month's disc. Take part in one of two forms of destruction – the manic Wreckin Racing or the Destruction Derby. In Wreckin Racing you can drive a Raven or a police car on three tracks. The aim is to get round in first place and in one piece, clocking up points for trashing other motorists along the way. The Destruction Derby is an out-and-out war in the Docklands Arena. You can choose a two or four-player battle in the Raw Van or Cheetah. Change your car's colour using ○ at the vehicle selection screen.
Controls
⊗ Accelerate
Reverse
Brake
L1 Change view
R1 Burn out
L2 Look back
R2 Handbrake
Additional features
Destruction Derby Raw has an impressive 31 tracks, including three bowl arenas, all of which can be enjoyed in one of 24 hardy vehicles.
Further information
Destruction Derby Raw received a full service in PSM60's review section.
CD CHALLENGE!
Answer this...
We have five copies of the finished game to give away. To win one all you have to do is tell us, in 20 words or less, what's car you'd most like to trash and why. Answers on a postcard to Destruction Derby Raw CD Challenge 61 at the usual PSM address.
AUG 2000 OFFICIAL UK PLAYSTATION MAGAZINE 137

Official UK PlayStation Magazine – Issue 61 (August 2000)

VPL: PARHAAT JUTUT – PARHAAT PELIT
PELATTAVIA DEMOJA!
DESTRUCTION DERBY RAW
Munskaava kilpa-ajopeli. Jaa, ei anna tietä vai – kiilaan sut ojaan. Ai yritätkin vai – ruttaan koslas pelit kasaan. Jahah, kaipaat siis puskurihierontaa.
STAR TREK: INVASION
Mitä, romulaanoja puolueettomalla vyöhykkeellä! Poimu kahdeksan pykälään, nostakaa suojat ja ladatkaa fotonitorpedot. Hensa!
SILENT BOMBER
Räjähtävää toimintaa! Etkö pidä buosta esineestä – räjäytä se! Ai pidät siitä, no räjäytä se sitte. Itse asiassa räjäytä kaikki mahdollinen.
MOHO
Nallä humanoidimaisilla robotti-rakoilialla on pallo alaruumin tilalla. Pompota niitä seikkailusta toiseen vaarallisissa sokkelossa!
VIB RIBBON
Tämä peli ei todellakaan grafiikalla keimaile, mutta musikaalisessa ja surrealistisessa rautalankajänksessä on silti outoa vetovoimaa.
GRIND SESSION
VIDEO Ala ynnä niistä temppuja kotona. Älä anakaan ilman todella paksuja suojavarusteita. Alaka anakaan aidin nähden.
TENCHU 2
VIDEO Ninjat ovat taas valloillaan. Ongelmanratkasuja, katutappeluja ja hiipimistä. Katso tähdenlento – sis hetitähdenlento!
GALERIANS
VIDEO Psykologinen ja parapsyko-loginen trilleri. Rio poika vuodattaa avohkeä ja pinnistää telekineettiset vomansa aanmmilleen.
VANISHING POINT
VIDEO Vanha kunnon supernopea ajopeli. Realistinen ajotuntuma ja yli 30 autoa valittavissa, mm. BMW, Lotus ja tankkiauto.
TITAN AE
VIDEO Tästä on jo pirroselokuva. Nyt aimoa mahdollisuus katsoa mitä sitä tehty peli näyttäisi. Viimeisim-pien tietojen mukaan pelä kun ei tehdäkään.
VIISI PELATTAVAA DEMOA JA VIISI ESITTELYVIDEOTA!

ROUND AND PLUMP WITH GAMING FUNK. THAT'S DISC 63. YOU KNOW WHAT WE MEAN
OFFICIAL EXCLUSIVE!
63
On your marks, set, go. Limber up those fingers for the button-bashing Sydney 2000
EDITED BY: Catherine Channon
Comments, queries and blather to catherine.channon@futurenet.co.uk or fax us on 01225 732291. Sorry, we are unable to answer your queries over the phone
And they're off. Sydney 2000 gets an Olympic start, taking the first hurdle in its stride. Coming up on the inside as they approach the first corner is Formula One 2000, following the line beautifully. Dave Mirra and Grind Session are neck and neck as they go into the second bend. With only 70 metres to go Terracon hits the front, only to be passed by Superman. As the line approaches Driver 2 nudges into the lead. It's anybody's game...
Catherine Channon
TO USE DISC 63
Load the disc and scroll through the game choices using ← and →. Press ⊗ to select the demo you want. At the end of some of the demos you will need to reset your console
Problems with your CD?

Sydney 2000
■ PUBLISHER Eidos
■ STYLE Sports sim
■ PROGRAM Playable demo
Ⓡ or Ⓐ Jump
Ⓡ or Ⓐ Dip
■ Additional features
The full game features more events than you could fit down Linford Christie's pants, including 100m Sprint, Hammer, Javelin, Triple Jump, High Jump, 100m Freestyle Swimming, Sprint Cycling, Skeet Shooting, Heavyweight Weightlifting, Kayak K1 Slalom and more.
■ Further information
Hop, skip and, um, hurdle straight to the review on page 112.
Feeling fit? It's time to participate in some armchair Olympics. You compete in the 110 metres hurdles, sure to test the stamina of your gaming fingers. At the start of the race you'll hear the official announce. "Set, go." On the word "go" alternately tap the power buttons as rapidly as possible (if you start tapping too soon it's a false start, do it twice in Olympic Mode and you will be disqualified). The faster you tap the buttons the quicker you will go. When you reach a hurdle press the action button to jump. At the end use the action button to dip for the line.
■ Controls
⊗/Ⓐ Run
CD CHALLENGE!
■ Try this...
We've got copies of the finished game to give away to five lucky readers who manage to beat the world record time of 12.91 seconds. Send your proof and, in 15 words or less, tell us what it takes to be a winning athlete on a postie to Sydney Disc Challenge at the usual PSM address.

Official UK PlayStation Magazine – Issue 63 (October 2000)

VPL: PARHAAT JUTUT – PARHAAT PELIT
PELATTAVIA DEMOJA!
FORMULA ONE 2000
Formula One on jo legenda. Onko vuoden 2000 uusitusta versiosta jatkamaan vauhdikkaita perinteita? Pelaa demoamme ja päättele itse.
GRIND SESSION
Rullalautailu on rullalautailua, vaikka sitä pelaisikin on peleillä. Tämä ei ole Tony, mutta onko sillä väliä. Tee siistejä temppuja ja muista grindata.
DAVE MIRRA FREESTYLE BMX
Katso ääti, ilman käsiä ja jalkoja! Polkupyörän keksijä ei taatusti arvannut mihin vääntöön hänen kulkuvälineensä tulevaisuudessa joutuisi.
MR DRILLER
Joskus tuntuu, että haluaisi vajota maan rakoon. Silloin päivän pirstää Mr Driller, joka tuo maan alle sellaista vankasta vipinää ettei ole tosikaan.
TERRACON
Superrobotti tuhosi Xedin kako rodun ja aikoo tehdä saman muullekin galaksille. Se on Xedin esitettävä luotettavan Generyg-pistoolinsa avulla.
SYDNEY 2000
Olympialaiset ovat ohi, mutta voit tokä ottaa pienet pikausiinnat demomme avulla. Penkkiurheilu ei koskaan ole ollut näin helppoa.
DRIVER 2
VIDEO Mainolle pelille ptaa saada hyä jatkoosa. Driver 2 näyttaa ainakin tosi hyvälta. Ja kylä, autosta voi nousta ulos.
SUPERMAN
VIDEO Tämä heppu ei esittelyä kaipaa. Tarkoimes lentäälkin pikapuolen PlayStationille pelastamaan Metropolista arvatkaa keneri juonilta. NO TETYSTI Lex Luthorin. Oiko yllatys?
DUCATI LIFE
VIDEO Ducati on moottoripyörien asteita ja pelin kehittäjä Acclaim on päättänyt luoda Ducati Lifestä kaksipyöräisen Gran Turismon.
LMA MANAGER 2001
VIDEO Tästä tulee ensimmäinen jalkapalloseuran hallintasimu, jossa annetaan tarkasti kaikki uudet joukkue- ja pelaajatiedot.

Pause
Get out my way! Get an exclusive test-drive in Driver 2. You can race around Havana as much as you like before smashing up the car in front
EDITED BY: Catherine Channon
Comments, queries and blather to catherine.channon@futurenet.co.uk or fax us on 01225 732291. Sorry, we are unable to answer your queries over the phone
This month's disc dices with both death and danger – hell, this little black circle's more frightening than finding a dead pig in your bed. You get to live life on the edge as an undercover cop in Driver 2; get your face messed up by Naz in Prince Naseem Boxing; front up to the deadly dinosaurs in Dino Crisis 2; and take on the world as a plastic tough guy. Or, if all that sounds too scary, you can cuddle up to one of the mothers in Alien Resurrection.
Catherine Channon

NOV 2000 OFFICIAL UK PLAYSTATION MAGAZINE 147

Official UK PlayStation Magazine – Issue 64 (November 2000)

VPL: PARHAAT JUTUT – PARHAAT PELIT
PELATTAVIA DEMOJA!
DRIVER 2
Euroopan kaikkien aikojen parhaiten myynyt PlayStation-peli on palannut kaupunkiin. Nyt saat tilaisuuden kokeilla täysversion toimintaa!
X-MEN MUTANT ACADEMY
Tässä on tilaisuutesi harjoitella tohtori Xavierin valvonnassa. Demossa voi pelata Arcade- tai Versus-tilassa Kykloppia tai Wolverinea.
ACTION MAN DESTRUCTION X
Toimintarukkeotaiteilijan verraton sankari on taas täällä. Ese Action Man Headquarters -ajokki ja telakoidu siihen. Etsi sitten Dr. Gangrene ja tämän kätyrit.
IN COLD BLOOD
Pakene tankkialuksella hippalutaitajien avulla ennen kuin pommi räjähtää ja tekee lopun vakoojanurastasi.
INCREDIBLE CRISIS
Todella outo pulmapeli. Demossamme kolme minipeliä. Juokse pakoon kymmentonnista keilapalloa, varo tappajahissejä ja väistele kalustoa.
SNO CROSS CHAMPIONSHIP
Jolle talvella ole lunta, voika pelkolla hiihtäakaan? Tässä Aspenissa käytävässä moottorikelkkakassa lunta löytyy. Aja yhdellä täysversion neljästä ajosesta.
ALIEN RESURRECTION
VIDEO Pelkäätkö pimeää? Hermostutko, kun valot vilkkuvat ja paksu sammuvat. Sinä tapauksessa tämä video kannattaa jättää väliin.
DINO CRISIS 2
VIDEO Tilka se oli? Kahahdus vidakossa voi olla tuuli... tai verenhimoinen Tyrannosaurus Rex, joka haluaa syödä sinut elävältä.
PRINCE NASEEM BOXING
VIDEO Tässä kuussa annamme ennakkovilkaisun prinssin kärsäsenkkapelin. Jos olette kilttejä, niin ensi kuun levylä on pelattava demo
LEGEND OF DRAGOON
VIDEO Tätä laajaa roolipeliä on tehty peräti kolme vuotta ja lopputulos vie neljä levyä, joten luvassa lienee runsaasti fantasiataisteluita.
THIS IS FOOTBALL 2
VIDEO This is football 2 on juuri PlayStationille suunniteltu täydellinen jalkapallopelimys. Istu virtuaalikatsomoon ja nauti.
11 P-000290

DRAGONS, MUPPETS, BOND AND THE JUNGLE JIVE – YOU'LL FIND 'EM ALL ON DISC 65
OFFICIAL EXCLUSIVE!
Never a drag. Beware the spinning octopus and the gun-toting flymocs. You'll need to defeat them all in order to receive the next dragon
EDITED BY: Catherine Channon
Comments, queries and bleather to catherine.channon@futurenet.co.uk or fax us on 01225 732291. Sorry, we are unable to answer your queries over the phone
The festive season approaches and new titles are flowing in thick and fast. Just look at the line-up on this month's disc for proof. Crash and Spyro are making their annual appearance, alongside Jungle Book Groove Party and This is Football 2. There's the long-overdue Prince Naseem Boxing and the chance for car-to-car contact in TOCA World Touring Cars. Finally, don't miss the rolling demos: The World Is Not Enough, Mat Hoffman's Pro BMX, Muppet Monster Adventure... the list goes on.
Catherine Channon

DEC 2000 OFFICIAL UK PLAYSTATION MAGAZINE 147

Official UK PlayStation Magazine – Issue 65 (December 2000)

VPL: PARHAAT JUTUT – PARHAAT PELIT
PELATTAVIA DEMOJA!
SPYRO 3
Pieni ja pippurinen tulenhönkijä on jälleen täällä. Tu kihkiämmeenmunia on kadoksissa ja Spyron on hankittava ne takaisin.
CRASH BASH
Täydelliseksi moninpelijuhlaksi suunniteltu Crash Bash on varsinainen pelien sulatusuuni, sillä se sisältää kaikkia mahdollisia pelityyppejä.
JUNGLE BOOK GROOVE PARTY
Kaikkien rakastama pojannaskoi Mowgli on nyt PlayStationilla ryhnä venessään. Pyry sies nymissä ja pana nita nappeja, mitä ruudulla vieritetään.
THIS IS FOOTBALL 2
Ai onks tääkin jalkapalloo? Jep, ja nyt voit pelata joko Englannin tai Brasilian pukkuesta yksin tai kaverisi vastaan. Demossa pelaikaa on kaksi minuuttia.
PRINCE NASEEM BOXING
Koska olette kaikki olleet kiltteja, niin tässä kuussa annamme teille prinssin pelattavan demon. Aivan kuten viime lehdessämme lupasimmekin.
TOCA WORLD TOURING CARS
Hei, tämähän oli jo kansiinompulla 62! Niin oikin, mutta ilman Time Trial -vaihtoehtoa. Nyt demossamme on Free Race Hockenheimissa ja Time Trial Kataloniassa.
MUPPET MONSTER ADVENTURE
VIDEO Tulvatko Muppetit uudelleen muotiin? Tänä pelinä on jo toinen peli kahden kuukauden sisällä, jossa Hensonin sopet hahmot seikkailevat.
KOUDELKA
VIDEO Koudelka on saman kehittäjätiimin tekemä kuin Final Fantasy -sarja. Koudelka on goottinen kauhuroolipeli, joka muistuttaa hieman Silent Hilla.
MAT HOFFMAN'S PRO BMX
VIDEO Näemme muutamia Mat Hoffman'sin kentistä ja tempuista. Jos olette edelleen kiltteja saatte ensi kuussa pelattavan demon.
THE WORLD IS NOT ENOUGH
VIDEO "Ahaa, tapaamme jälleen herra Bond." Pelin kehittäjä Black Ops on luonut pelin, joka on lisens-sinsä arvoinen.
MONSTER RANCHER
VIDEO Monster Rancher on sekoitus Tamagotchia, Pokémonia, Digimonia ja Barcode Battlersia. Videomme sisältää pelin kehittäjien suosikkeja.
TALTIOITUJA PELITILANTEITA
LATAA LEVYLTÄ MUISTIKORTTIIN PELITILANNE/HUIJAUS
SILENT HILL: Peli on läpäisty ja voit pelata Next Fear -tilassa. Olet sarjasalossa.
KURUSHI: Ylimääräinen pelihahmo Cherry.
WIP3OUT: Kaikki tunnukset, radat ja aluksi.

Inventory
You begin your mission inside the coop. As you venture out into the yard, keep an eye open for the dogs who'll sniff you out and gobble you alive
EDITED BY: Catherine Channon
Comments, queries and blather to catherine.channon@futurenet.co.uk or fax us on 01225 732291. Sorry, but we can't answer your queries over the phone
This month we've managed to bag a whacking eight playable demos (featuring some of your favourite cartoon characters) and a couple of fantastic vids too. There's a whole heap of footage from Tomb Raider: Chronicles, including the cinema trailer. Playable favourites include Chicken Run, where you called upon to assist in a coop breakout, Time Crisis: Project Titan that's sure to get you dusting down your G-Con, Bugs and Taz, Frogger, Asterix and Ms Pac-Man to name but a few. So enough of the naming and on with the gaming – enjoy..
TO USE DISC 67
Load the disc and scroll through the game choices using ← and →. Press ⊗ to select the demo you want. At the end of some of the demos you'll need to reset your console
Problems with your CD?
Pack up your troublesome cover disc in an envelope and send it back to this address: Official UK PlayStation Magazine, Disc Returns, Customer Services, Future Publishing, Cary Court, Bancombe Road Ind Est, Somerton, Somerset TA11 6TB. We'll test it and, if it's faulty, we'll send you another CD that isn't. Please note: we don't keep old discs in stock. Dan wears them as armour in case he's ever attacked by laser-fire.
Chicken Run
PUBLISHER Eidos
GENRE 3D adventure
PROGRAM Playable demo
Fowl play is afoot and it's up to you to guide Ginger, one of nature's bravest hens, through the dangerous territory of the yard and escape the coop.
Stealth plays a a big part in the game and you have to sneak around and elude the farmer's dogs. If you come across any sprouts chuck 'em when spotted and the mutts will be distracted enough for you to sneak away.
You have two objectives, one is to collect the equipment necessary to make the wire cutters and the other is to collect the fireworks and matches.
Once you've completed these objectives within the set time limit, you'll get to play a mini game where you have to assist the other chickens in their escape by attaching them to the fireworks and launching them to freedom.
It's a perilous task that's going to require a great deal of skill. Get it right and you'll end up a hero, get it wrong and you'll end up stuffed with garlic butter and on sale as a Kiev.
Controls
Jump
Action
Inventory
Throw sprout
Rotate
Additional features
The full game does a good job of recreating the tension and atmosphere of the film. Combining platform adventures with stealth, puzzle solving, sub-games, vidoe clips and super bosses.
Further information
OPM tooks a peek through the parsons nose and checked out Chicken Run's giblets in last issue's review.
JAN 2001 OFFICIAL UK PLAYSTATION MAGAZINE 13

Official UK PlayStation Magazine – Issue 67 (January 2001)

VPL: PARHAAT JUTUT – PARHAAT PELIT
PELATTAVIA DEMOJA!
TIME CRISIS: PROJECT TITAN
Ammu pahikset ja selvirdy pakoon Jatkoa vanhalle kunnon valopistoolipeliskinnalle. Voit käyttää myös vanhaa tuttua peliohjainta ammuntaan.
RE-VOLT 2
Demomme tarjoaa radio-ohjattavalla leluautolla kolme kovaa kierrosta metsäradalla. Pienikin voi olla kaunista.
ASTERIX
Kittaa masu täyteen Akvavitoin taikajuomaa ja marssita urheat pallaiset taisteluun roomalaisia vastaan. Ei Obelix, sina et saa taikajuomaa.
CHICKEN RUN
Tehtävästi on auttaa Ginger-kana yllätviimeni pakoon vartsinaisesta kauhistuksen kanankäkästä. Hiivi ja vaani, mutta älä vaan munsa.
BUGS AND TAZ: TIME BUSTERS
Vaiski Vemmelsäärn ja Tasmanian tuholainen yhteistyössä pelastamassa Repe Sorsaa Tipin ohjeiden avulla. VAU!
MS PAC-MAN
Hän on pehmein pyöreän naisellinen ja hän seikkailee sokkelossa. Ei, hän ei ole Lara, vaan neiti Pac-Man. Wacko, wacko, wacko, jne.
FROGGER 2
Pelasta viisi pikkusammakkoa eri puolilta puutarhaa ja kuljeta nutipiat turvaan. Väistele mehiläisiä, jyrsi ja ruohonleikkureita.
CRICKET 2000
Hei te kaikki krikettipelifanit – siis te kaikki kolme. Tässä teille kutkuttavan jännittävä demo-ddelu Englanti vastaan Australia. HAH, HAH, HAH, HAH!
SPYRO: YEAR OF THE DRAGON
VIDEO Älä syöe lattiaille. Älä ainakaan jos olet lohikäärme, muuten voi perketon lakkaus hiukan kärsiä. Spyrolla on taas tulenpalava kire seikkailuun.
TOMB RAIDER: CHRONICLES
VIDEO Katsaista Lara pian tältä videolta sillä kohta hän siirtyykin valkokankaalle.

Germany 2-0 England
Official Exclusive!
Greetings! Variety is the flavoursome spice of the collective OPM life, as we bring you something for everyone on this month's exclusive demo disc. Top of the list is the demo to go with our bumper David Beckham Soccer review, where you get to replay that glorious England vs Germany match. Worms World Party, V-Rally 2, NBA 2000 and Winnie The Pooh are some of the other highlights, – along with a welcome return from the Mah Jongg Yaroze game. All that, plus all the video and download gems you'd expect!

Welcome once again to our new-look Disc Inferno and Champions League. We've a whole heap of fantastic demos for you to sample this month, from the bone-crunching scrappery of Tekken 3 and Dead Or Alive, to the sneaky swordplay of Tenchu 2. As always, there's a great stash of prizes up for grabs with our demo challenges. The Champions League tables run for the very last time this month before they also get a Season Two makeover, but more of that later. Have you done enough to hit the final headlines? Turn those pages now...

There's another mouth-watering selection of demos for you to get your teeth into this month, including two criminally good crime-busting titles in Future Cop: LAPD and Judge Dredd. You have to play them, it's the law! Aside from those beauties, there's a spot of snowmobile racing in Sled Storm, insane Jap action in Incredible Crisis and stealthy swordplay in Tenchu 2. As ever, we've got a heap of terrific prizes on offer in our demo disc challenges. Turn to page 78 for more details.

Most Wanted!
PLAY! You ask, you get – that's the philosophy behind this month's cover disc. On the CD you'll find the 11 most requested demos from you lot out there, and what a fine selection they are. Don't delay, play today! See p12
Over the last few months we've been asking, in various places throughout the mag, which games you'd most like to see on the demo disc. This issue we're pleased to present the 11 demos that received the most votes. Democracy in action, that is. So the highly sought after Mr Driller has another outing, along with some seriously splendid Sony platformers. Our fave has to be World's Scariest Police Chases, but does it rival Driver? We'll let you be the judge of that...

On the CD
Actua Soccer
Mitre
FLUO FLARE
ULTIMAX
Since we started PSM we've been fortunate to feature some fantastic football demos. After compiling them all onto one cracking disc we thought we'd round off this treat by giving you the chance to win a set of the top four football games by entering our Football Challenge..
Problems with your CD?
Official UK PlayStation Football Special
PLAYERS: Two
PRICE: £19.99
AVAILABILITY: Platinum
Actua Soccer was a very impressive PlayStation debut for the Sheffield codeshop. Things in the world of PlayStation football had started badly with the likes of Onside Soccer souring the scene but then we thought we'd be okay with the release of FIFA Soccer '96 and we all know what went wrong there don't we? When the game arrived it was pure pleasure to play, everything seems so intuitive, and just listen to the commentary from the wonderful Barry 'he who lives by the dive, may one day find that the swimming pool is empty' Davies. Actua Soccer looks good and plays a mean game of football.
The match you're cordially invited to join is a USA vs Russia fixture, with you representing the wonderful Uncle Sam. It's only a single player game and lasts a short but wonderfully involving 150 seconds. Commentator Barry is pleased with the weather and the pitch so just go out there, give 110 per cent and enjoy yourself!
Controls
D-pad for moving the players

Shoot/slide tackle
Speed burst
Toggle Player
Rotate the player in certain set pieces
Change the camera
Pause the action
In-game
Additional features
A host of international teams, camera angles by Sky Sports and a surprising depth to the gameplay. All the major world teams are present alongside some less likely candidates. You can also customise all the options and the rules i.e. if you don't like the offside rule just switch if off and play as much long ball as you can tolerate.
The Reviews
Actua Soccer was reviewed way back in the early days of PlayStation when PSM was but three issues old. At the time it was by far and away the best football game you could get on the PlayStation but software has come on a lot in three years. Then again, if you're after a really cracking game of football and have 20 quid burning a hole in your pocket it's not a bad Platinum purchase at all. It might even be worth a scout around a car boot sale.
This has to be one of the most impressive stadiums we've ever seen.
The game can be played from a number of viewpoints but this is the best of the lot.
Use the scanner to keep an eye on where your players are.
Every game starts with the teams facing one another and growling.

Official UK PlayStation Magazine Special 1: Football Special

SCED-01387 Football Special

SCED-01387 football special

On the CD
To complement the comprehensive coverage of the racing game genre in this Racing Special, we've stuck the ultimate racing demo disk on the outside of it. There are 10 playable versions of some of the top PlayStation racing games available all of which we've raved about.
Now you can see for yourself.
Problems with your CD?
Gran Turismo
■ PLAYERS: TWO
■ PRICE: £34.99
■ AVAILABILITY: HIGH STREET
When news of the depth of this game first leaked out of Japan we thought someone was yanking our chain. There was no way the game could really have 145 cars... could it? After just a few minutes playing we thought it might be something special. After a few hours we knew we had a classic on our hands. It's just the sheer scale of everything – absolutely everything can be tweaked, twiddled and generally altered. Buy cars, sell cars, paint your car, take various driving tests. It's a world of pistons, flanges and ball valves.
The real action, however, takes place on one of the 11 tracks. And the handling is as real as you will get. The demo offers you the choice of three cars (these can be found by clicking on the Available Cars menu) and the high speed yet twisty track of the Clubman Stage RS. You can even watch the replays.
■ CONTROLS
to get menu after loading
D-pad Direction
Accelerate
brake
Reverse
Emergency brake
Shift up
Shift down
Rear view
Change view
The game is Dual Shock compatible.
■ ADDITIONAL FEATURES
145 cars to choose from. 11 courses to drive on (22 if you include the mirror mode) and three licences to test your skills against. Music provided by such as Ash and Garbage and mixed by the Chemical Brothers.
■ THE REVIEWS
Our huge review of this truly magnificent game starts on page 64. As you may have guessed, we rather like this it.
Circuit Breakers
■ PLAYERS: TWO
■ PRICE: £39.99
■ AVAILABILITY: HIGH STREET
Since the release of Micro Machines V3 way back last year gamers have got used to the crazy antics of midget motors. So much so that developers all seem to be looking this way for the next 'racing experience'.
One of the first to reach the winner's rostrum is Supersonic, of Supersonic Racers fame, with their cracking Circuit Breakers. It's not a particularly beautiful game (it's not ugly mind) but it's so damn playable. In single-player mode the game belts along with each opponent making mistakes or attacking other cars – not bad for computer-controlled racers – but it's the multi-player game where the game takes that further step down the road to brilliance. It's fantastic. Not since Micro Machines V3 have we stayed so long after work just playing a game.
■ CONTROLS
D-pad Direction
Speed
Brake
Fire power-up
Toggle power-up
■ ADDITIONAL FEATURES
Altogether CB offers the hardcore gamer an incredible 32 tracks to race. Some are hard, some are easy but all are enjoyable. And once you've finished these you earn a cheat to give you reversed courses. Not bad at all.
■ THE REVIEWS
Circuit Breakers is given the full five star treatment in the review section. Turn to page 74 to see just how good it is.

Further Information
PUBLISHER: SCEE
STYLE: Racer
PROGRAM: Playable demo
Some have said that Gran Turismo is the best racer ever to hit the PlayStation. Some suggest that Gran Turismo 2 (out in the autumn) is going to be the first perfect PlayStation game. And nobody can deny this one fact – Gran Turismo changed things. Shoddiness of racer would no longer be tolerated – if you wanted to get noticed you had to come up with something as good, if not better than GT, Ridge Racer Type Four tried... and almost got there. TOCA 2 was forced to improve massively. And V Rally 2 is another product of such high standards.
Think of a bee with huge knees. This game is (bizarrely) those knees. Everything in the game can be tweaked, twiddled and generally altered. Buy cars, sell cars, paint your car, take various driving tests. It's a world of pistons, flanges and ball valves. The real action, however, takes place on one of the 21 tracks. The handling is as real as you will get. That point needs to be emphasised – if you're looking for an arcade racer, take your business to Ridge Racer Type Four. This is the real deal. Sit at the grid, soaking up the ambience. The noise, the cars, the tension. The lights go green and we're off.
The demo is a timed race on the Clubman Stage route five. Three cars are available – as is that famous replay mode.
CLUBMAN STAGE R5
This is your demo, stop reading, load disc, play.
